

## Lamp Sets

All L-series lamp sets are available with a 6, 12 or 18-inch gooseneck and include chassis with dimmer, snap mount for removable mounting, screws for permanent mounting and power transformer.

And you know what 'they' say, "When you need a little light, you need a Littlite!"

All lamp sets available with 240 volt Euro-Style transformer (E) or with transformer deleted (A).

### L-1 Series

Low Intensity (2.4-watt) with BNC detachable gooseneck. Sleek, low profile hood.

Pictured left to right: L-1/18, L-1/12, L-1/6.
